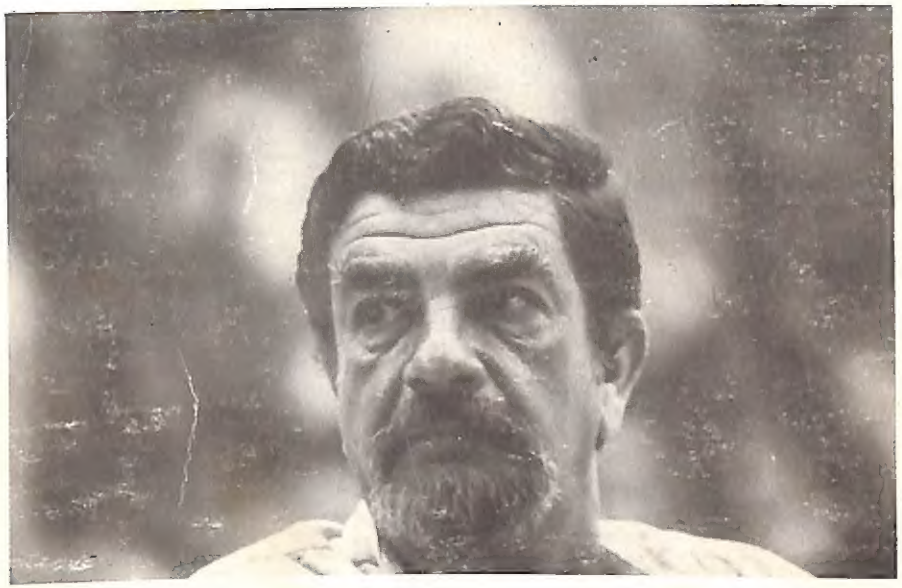
CEM YAYINEVİ



Ferruh Doğan 1932'de İstanbul'da doğdu. 1945 yılından bu yana karikatür çizmektedir. "ÇİZGİLİ DÜNYA" karikatür kitabı ilk kez 1969 yılında yayınlandı. Ferruh Doğan bu karikatürlerinde insanın, toplumun, doğanın, ülkemizin, dünyamızın çelişkilerini, birbirlerine yabancılaşmalarını kendine özgü bir çizgi mizahıyla yorumlamakta, irdelemektedir.

CEM YAYINEVI karikatür dünyamızın bu önemli yapıtının ikinci basımını sunmaktan kıvanç duyar.
